The Senior Gazette

WORDS TO LIVE BY

*Every decision you make is a reflection of how much you love yourself.
*We take photos as a return ticket to a moment otherwise gone.
*You don't have to attend every argument you're invited to.
*We can complain because rose bushes have thorns, or rejoice because thorn bushes have roses.
*Aging is not about how many years have passed, but how much life you've embraced.
*People may forget what you said, people may forget what you did, but people will never forget how you made them feel.
*Just one small positive thought in the morning can change your whole day.
*Don't forget to drink water and get some sun. You're basically a houseplant with more complicated emotions.
*Be a Fruit Loop in a world of Cheerios.
*I hope you know the world is a better place with you in it.
