Comments from the public: Thirty minutes maximum time, five minutes per person. Raise your hand, state your name and address. Please remember residents have the opportunity to raise their hands and be recognized by the chair at any time during public meetings.

Ashley Keating 3653 Firethorn Drive

Mrs. Keating is a resident of Herrington Place and she asked Council to consider adding additional stop signs at the intersection of Herrington Drive and Firethorn Drive. She is concerned with the safety of the children of the neighborhood as well as pedestrians and dog walkers. Mr. Molina stated Mr. DiCarlo, a resident of Herrington, is currently talking with engineering about additional stop signs. Mrs. Keating also presented a petition with 54 signatures.

Barb Tausch 10079 Regatta Trail

Mrs. Tausch asked for further explanation regarding the Kimble contract. Mr. Molina replied Kimble will be supplying each resident with a 96-gallon trash can and a 64-gallon recycling can. Both cans have lids and are animal-resistant. There will be no additional cost for the cans and the price of service will stay the same for 2016, increase by 1% in 2017, 2% in 2018, 2% in 2019, and 3% in 2020. They will make exceptions for residents who do not need a trash can that large. The Village will assess what exceptions will be made after the initial drop off of new cans is done by Kimble. Kimble will also continue to pick up bags and furniture like they always have.

Al Williams 10589 Florida Street

Mr. Williams asked if a resident pays into the orange bag program, do they also pay the same service price as residents who will be using the cans. Mr. Molina will look into that.
