

March 2021

The Senior Gazette

It has been one year since our lives changed due to COVID-19. I hope you all are doing well and I know it's been a tough year for you. Hopefully we are close to getting back to our usual activities. I was looking at the newsletter from last March and it seems so long ago that we have all been able to get together in the same room yet it also seems like the year just flew by. Thank you for coming out for the holiday drive-thrus and for joining the mailing list so we can keep in contact with you! (And thank you for the lovely cards & treats that were sent in! ♥)

Be aware of suspicious emails that appear to be from ODOT requesting customers update their driver's license information. ODOT does not issue driver licenses in Ohio. While the Ohio Bureau of Motor Vehicles does issue driver licenses, the BMV is not requesting this information from anyone either. Share with friends and family – especially the new drivers in your family who may not know to steer clear of these kinds of emails!

A police officer called the station on his radio. “I have an interesting case here. An old lady shot her husband for stepping on the floor she just mopped.” “Have you arrested the woman?” “Not yet. The floor’s still wet.”	hardy	Helpful diet tip: If you stir coconut oil into your kale, it makes it easier to scrape into the trash.	
	har		Therapist: Your wife says you never buy her flowers, is that true? Husband: To be honest, I never knew she sold flowers.
	har!		
	“What inspires you to get out of bed each morning?” My bladder mostly.
