

# The Senior Gazette

**Have you gotten a call from someone claiming to be from the Social Security Administration?** If so, it is most likely a scam. This scam is circulating again and it is costing people millions of dollars. I have received three phone calls this week myself. It starts with a recording telling you your social security number is expired or suspended or involved in illegal activity and there are charges or an “officer” or the FBI needs to speak with you...**HANG UP!** They are trying to get your personal information and get you to pay to fix a made-up issue.

The Social Security Administration would not: Call you to demand an immediate payment; demand that you pay debt without an appeal; require a specific means of payment like a prepaid debit card; ask you for personal information or credit card numbers; or threaten you with arrest or deportation. If you receive one of these scam calls or emails, do NOT provide them with any information. You can report it to [www.oig.ssa.gov/report](http://www.oig.ssa.gov/report) or call 1-800-772-1213

There are hundreds of stories of innocent people being taken advantage of financially. Please share with your family members and friends. If you have any questions about this, you can call me at Reminderville Village Hall at 330-562-1234.

**Village of Reminderville  
polling locations have changed.**

**All Reminderville residents

I cannot believe it is already October and pretty soon it will be...SNOWING! The way 2020 is going, the snowflakes will probably be the size of frisbees! For Reminderville seniors who would like to register for the free driveway snow plowing program, if you were on the snow plow list last year, you do not have to fill out the application. Call Stacey at Village Hall at the number below to confirm this year's placement on the list.

If you were not on the list last year, you must be 65 years or older or be physically/medically handicapped and have no able-bodied person living in your home capable of removing snow. You must meet the low/moderate income as the cut-off point for eligibility:

1 person	\$31,200
----------	----------

1 person	\$31,200
2 persons	\$35,650
3 persons	\$40,100

Call Stacey and an application will be mailed to you.

No driveway snow plowing will be done until the accumulation of snow reaches approximately 3 inches as determined by the Service Director. Driveways will be plowed after Reminderville roadways have been cleared for motorists and determined to be safe for passage.

**There are no guaranteed times when your snow removal service will be done.** We ask that you

please be patient and courteous.  
This is not a state-funded program  
or grant.

**What did the grape say  
when it got crushed?**

**Nothing.  
It just let out  
a little wine.**

## Why didn't the toilet paper cross the road?

**It got stuck in a crack.**

**A truck loaded with  
Vicks vapor rub  
overturned on the  
highway.**

**Amazingly, there was no congestion for eight hours.**
