

2018 Santa Toy Delivery

It's that time of year again! Santa and his elves will arrive at your home in a big fire truck to deliver a present for your child!

To participate, please drop off a wrapped gift, no bigger than a standard shoe box, labeled with the child's name and address. Gift drop-off is December 1st at the Fire Department 12:00-6:00pm. Santa will start his delivery at 1:00pm on Saturday, December 8th, 2018. Santa's elves will call just minutes ahead so you can be at the curb ready for when Santa arrives! Have your camera ready for a few photos before he has to move on to the next house!

Complete the form below and cut on the line. Bring the form below and your child's wrapped gift to the firehouse on December 1st. Please have your child's first name clearly written on the gift. Keep the top half of this form for your information! On the day of delivery, please keep your phone with you as elves will be contacting you moments before Santa's arrival. Santa will meet your child, deliver the wrapped gift, and allow you a chance for photos or videos (with your camera). Please have your child ready and at the curb when you hear the sirens approaching your home. Santa cannot go into homes! Due to time and planning constraints, NO gifts will be received after Dec. 1st. Delivery times for individual streets or homes cannot be pre-determined!
