Unfinished Business

New Business
Ms. Rockhill presented her 2027 budget request which includes no increase in membership rates, an increase in latchkey program rates, an increase in pay rates for the two full-time employees to $27.50 per hour, and the traditional 3% pay rate increase for part-time employees. Operating supplies decreased and there are no large projects scheduled. She is requesting transfers from the JEDD Fund totaling $409,558.00 which is $2,000 more than 2026.

Fire Chief Johns presented his 2027 budget request. The fire department budget is supported by two main funds: fire income tax and ambulance billing. For 2027, the budget includes an increase in utilities and the traditional 3% pay rate for employees. He would also like to hire a company to sandblast, prime, and paint all of the hydrants in the city. There are 292 hydrants. The $30,000 cost would come out of ambulance billing rather than the general fund.

Mr. Huff stated he is looking into different investment options and will report back to the committee.

The next meeting is on September 22 at 5:30pm and will review the Service Department and Police Department 2027 budget requests.

Adjournment
